

TEBET FLAT

Instructions

(model B 414)

2019 edition

TRIFOLD CUSHION

Use any comfortable material for upper side and non-slip material for bottom side.
Washable cushion case.

WORKING CORNER

Layering elements and colors: ready-made wall floating shelf, metal wall grid, recycling old wood as tabletop shelf, and saving space with flip wall mounted table.

BED AND STORAGE

BEDSIDE CORNER

Storage box for organized products. Everything needs its own space, clearly arranged at a glance.

Acrylic board upon drawer to make a stable flat surface.

Clear area on board can be used to put your journal and pen, current-read book, etc.

WALL HANGER

x 3

x 3

Make sure that the wall is concrete and solid. Match cable clips nail size with your cloth hangers. Heavy wool sweater approved.

KITCHEN RACK

EXTRA COUNTERTOP

PANTRY

Put your herbs and spices collection on grid to save space.

Categorization helps –
Basic: salt, pepper;
Sweet: sugar, brown
sugar, cinnamon sugar;
Herbs & spices: parsley,
oregano, curry, paprika;
Tea/Coffee.

LAUNDRY

Mix and match items on wall grid,
adjustable to personal needs.
